Governance review

Brian Agerbak presented the work done under the Governance Review by Ritchie Campbell, Emma Mason and himself.

The amended BEC Rules had been submitted to BWF for comments. The Legal Manager of BWF Thomas Delaye had come back with a few minor comments. This was followed up by more comprehensive feedback from Thomas Lund.

Emma Mason added that both Thomas Delaye and Thomas Lund were very positive with regards to the governance review we are undertaking. Following the Board meeting the feedback from BWF has been discussed with BWF and appropriate changes were made to the Rules.

In additions to the updated Rules, the governance review included the introduction of a Vulnerable People Policy and a Privacy Policy to prepare the organisation for the General Data Protection Regulation which will come into place on 25 May 2018.

The next steps will be to send the amended Rules and new policies to our lawyers for a legal review. Following this it is the intention to send the Rules to our Member Associations to review in advance of the 2018 Annual Delegates' Meeting where they will be tabled.

BEC President, Gregory Verpoorten, was invited to be a member of the Coordination Commission for the 2019 European Games in Minsk (Belarus). The first meeting of the Commission was held in Minsk in September 2017 in which Gregory Verpoorten took part. Following the meeting an excellent venue for Badminton was confirmed to the satisfaction of the Board.
