

PRESS RELEASE – APRIL 2021

The **Austrian U17 Open # au17o** will be held in Dornbirn between 4 and 6 June 2021. We got the green light from the competent authorities for this event, so preparations are well underway. In Austria, indoor events for up to 1500 people will be allowed as from 19 May. We are confident that the tournament will take place, although a little slimmed down. Registrations will close on 4 May 2021.

There is a change regarding hotel accommodation: **All tournament participants** are requested to make reservation at the **4 Points Sheraton hotel** located right next to the tournament hall (Dornbirn). incoming@au17open.at

All tournament participants must show a **Proof of Negative COVID-19 Test**. The test should be done before travelling (cannot be older than 48 hours). This document will be shown and validated in the hotel lobby to guarantee safety during tournament. All regulations are being discussed by team managers in remote meetings.

These are our contact email addresses for further questions:
