More information will be sent after the entry deadline.

Entries

Intention of participation

When you're sure you want to enter your team in the tournament, but you don't know the names yet, you can use our 'Intention of Participation' form. On this form, you can indicate the approximate number of players you want to inscribe. We consider this as any other tournament inscription, and will reserve the necessary places.

Intentions of participation are valid until the end of February . If we don't have the actual player names by that time, we automatically cancel your inscription.

Regulations

The maximum number of players we can accept to guarantee a good tournament is 405. Due to the huge number of inscriptions we have received the previous years, we use the following rules:

Order of acceptance

Until February 28 2022:

- | | |
|----------------------------|--------------------------------------|
| • Official national teams: | Entries will be immediately accepted |
| • All other teams | Added to waiting list |

Starting from February 28 2022:

We accept entries from our waiting list in the order we received them.

The tournament organisation may change the order of the waiting list to ensure enough geographical diversity in the tournament.

Limitations per teams

Each team is allowed to enrol 6 girls and 6 boys per age category in the tournament.

However, when necessary to guarantee enough geographical diversity and/or playing level, this can be reduced to 4 girls and 4 boys. When this is the case, this restriction will be communicated to the impacted teams at the end of December.

Sleeping accommodation

For sleeping accommodations, we can offer you a few hotels where you'll get a discount. If needed, we organise transport to and from these locations. If you need transport to/from another hotel, please check with us before booking, because some hotels take too much time to get to by bus. Especially the Antwerp city centre is not easily reachable by bus (or car for that matter).

Hotels

We were able to get great deals at some good hotels in the surroundings of Antwerp, not too far from the tournament scene.

On request, you will receive a document with a list of our preferred hotels. For these, you usually get a discount in the hotel itself (do make sure to use our booking code, included in the document) and cheaper transport to and from the hotel.

Our preferred hotels for 2023 are (provisionary):

- Ter Elst, Edegem
- Tulip Inn, Antwerp
- Bristol International, Mortsel
- De Basiliek, Edegem

Lunch & Dinner

In both sports halls we provide lunch and dinner for players, coaches, parents,...

- Lunch is a combination of pasta salad, sandwiches, fruit and a drink.
- Dinner contains a main course, bread, a drink and dessert.

Food for vegetarians and people with special diets can also be arranged, please notify us at least two weeks before the tournament so we can make the necessary arrangements.

Lunch and/or dinner have to be ordered in advance. Please keep in mind that there aren't many restaurants or eating establishments in the surroundings of the sports hall. We can't guarantee that ordering meals during the tournament will be accepted and it will be more expensive.

Dinner and lunch on Saturday and Sunday have to be ordered separately for the two sports halls. This means you can't have a meal at one sports hall with a lunch or dinner ticket from the other hall. During the inscription process, you will be asked how many lunches and dinners you want at each hall. We can and will not swap tickets during the tournament. We need to apply this rule strictly in order to be able to prepare the right amount of food.

Since we have to order food in advance, we can't refund food tickets at the tournament when you don't need them anymore.

Lunch and dinner arrangements will have to follow current measurements of the COVID-19 pandemic and are under constant consideration by the team. More information will follow later.

Flights and airport transport

Because the tournament ends between 4 and 5 pm on Monday, we ask you not to book flights before 19h30.

SPORT.
VLAANDEREN

We need flight schedules from each team arriving by plane before March 21st. If we haven't received a flight schedule by then, or if your team leaves before 19h30, you will not be allowed to participate in the tournament.

We have to be very strict in enforcing this rule to be able to plan our games on Monday in a decent way.

Prices

About two weeks before the tournament starts, we will send you an invoice concerning all tournament fees. We prefer to have this invoice paid by bank transfer. At the tournament, you can still pay cash or by card. **Prices can still change (minimally) according to developments of the economic crisis.**
