

PALMA DE MALLORCA SENIOR MASTER **NOVEMBER 4-5, 2023**

INTRODUCTION

Dear Friends,

We would like to invite you to participate in the Palma Master Senior. In this project of bettering the "senior world" in Spain, one of the aspects is to increase the number of players who compete in the Canary and Balearic Islands, to increase the motivation of our island organizers to host a national tournament and for that we need you.

At the same time, we would also boost the competitiveness of the players. We understand that traveling to the islands is very difficult for us as many travel with family, so that is why we are opening the tournaments to foreign players, in an attempt to make it more attractive to visit. In the last 3 years we have disputed our competitions with players out of our borders and have really enjoyed it, along with them making us better players.

For that reason, we would like to encourage players from all parts of the world to participate with us. We know that the Spanish are excellent hosts and therefore, would be delighted to receive any international players.

The age groups begin at +30.

Thank you all,

#PlanetaSenior
#Sénior World
